

2009 MRPA Discount Ticket Order Form

The Maine Recreation and Park Association is offering discount tickets to Water Country and Funtown/Splashtown USA. People will save a significant amount of money and time at the gate by purchasing their tickets through us. The ticket prices for the 2008 season will be:

	MRPA PRICE	GATE PRICE
Funtown/Splashtown USA combo pass (48 inches and taller)	\$26.00	\$35.00
Water Country (48 inches and taller)	\$28.00	\$35.99

Ticket sales for the 2009 season will begin on May 1, 2009. At least once each month during the summer season, you will be sent a reminder to make a payment for the tickets you have sold up to that point. This is important for two reasons: 1) we have to make regular payments to the amusement parks throughout the summer and we need your money to pay them and 2) it helps to keep our accounting up to date and makes the end of the season close out much easier. At the end of the season, you will need to mail the remaining money along with all of your unsold tickets. You have nothing to lose.
 Whatever tickets you don't sell you simply return.

Please fill out the enclosed form and send it back with the number of tickets you want for each venue.

Please Fax to: Lisa Bingham at South Portland Recreation: 767-7669
Tickets will be available for distribution at the 2009 MRPA Spring Conference
